## Entry Door Style Guide

# Why Boise Cascade?

- Exceptional customer service.
- We stand behind your purchase.
- Quality products and competitive prices.
- Customer satisfaction.

## Therma-Tru® Doors. Uncompromising quality, inside and out.

### #1 Among Building Pros

It's a brand you can trust. Why? Because year after year, building professionals rank Therma-Tru #1 – as the brand they prefer most – in entry doors.\*

### Experience & Know-How

Behind every Therma-Tru door stands decades of experience and technical know-how. Therma-Tru makes or

recommends every aspect – from the glass to the hinges – to bring your home durability and reliability through the years.

### Lifetime Limited Warranty

When you pay close attention to every detail that goes into a door, you can stand behind

its parts longer than the rest. That's why your Therma-Tru fiberglass door system

is backed with a lifetime limited warranty – the industry's most comprehensive warranty of its kind.

### Energy Efficiency

More than 80% of Therma-Tru door and glass options are ENERGY STAR® qualified\*\* and National Fenestration Rating Council (NFRC) certified, helping save money on energy costs.

## The Importance of Curb Appeal.

A stylish new front entryway can help convey your personal style and highlight your home's overall architectural style and curb appeal.

“The door gives a focal point to the front of the house.”

– Homeowner, Survey Respondent

### Fresh look. Increased value.

In a recent survey, real estate agents were shown images of various homes, including some that had been modified with a new Therma-Tru door, and asked to estimate the value of the home. While results varied, the survey suggests choosing a Therma-Tru door that complements the home's architecture could **add up to 7% to the perceived value** of a remodeled home.\*\*\*

That's a potential increase of **up to \$21,000** on a \$300,000 home for a project that can be done in a single day.

On the Cover:

Top: Pulse Echo, Reeded Glass with Flat Lite Frame, Door – FC85LXK, Finish – Tumbleweed

Bottom Left: Fiber-Classic Mahogany Collection, Chord Glass with SDLs, Door – FCM4814XC, Sidelites – FCM2050XCSSL; Clear Glass, Transom – 19220T, Finish – Acorn; Dentil Shelf
