WHY BOISE CASCADE MILLWORK?

Boise Cascade® Millwork is a division of Boise Cascade, one of the nation's largest manufacturers and distributors of building materials for the residential and commercial construction industry. For more than 60 years, Boise Cascade has served homebuilders, contractors, developers, and homeowners – and now we're bringing that expertise to millwork. With locations in some of the country's fastest growing markets, Boise Cascade Millwork offers top-of-the-line exterior and interior door solutions and components. If you can imagine it, we can get it or create it. At Boise Cascade Millwork we take pride in meeting the demands of our customers. Only Boise Cascade Millwork can leverage the buying power and reach of Boise Cascade Building Materials Distribution to get the best value and the toughest-to-access inventory. We understand that it's more than a just a door, it's a partnership you can count on with the brands your customers can rely on.

FASTENERS SETTING TOOL & SCREW PLUG COVERS

Jamb screw plugs hide unsightly screws, allowing jamb to be installed with screws through its thickest part for better aesthetics and long-term performance.

Screw plugs are available on a collated strip for ease of installation and finishing.
